

Travels With a Primate: Around the World With Archbishop Robert Runcie, Terry Waite, HarperCollins Publishers Limited, 2001, 0007106335, 9780007106332, 240 pages. In contrast to his earlier bestseller *Taken on Trust*, this amusing new book shows another side to the man who was a hostage in Beirut for five years, yet it retains his carefully written prose and powers of description. In Lagos, Terry Waite had to stop an official motorcade in order to lean out of the Archbishop's car to be sick. In Scotland, Waite is recognized on the street by a passerby, but the Archbishop, dressed in open-neck shirt, is not. Every story amuses, and in doing so the ancient Episcopalian Church of England is revealed in a new light. All too rarely does the Church laugh at itself..
